TECHICAL SKILL

Manual Testing
- Functional testing
- End to end testing
- Sanity testing
- Smoke testing
- Regression testing

API Testing

Automation Testing tools
- Cypress

Project Management tools
- JIRA
- AZD

IDE
- VS code

Web technologies
- HTML
- CSS

Other tools
- SQL Server
- Postman
- Mantis

EDUCATION SUMMARY

- **M. Tech (Master of technology) in DC(2022) at RGPV ,Bhopal with 8.06 CGPA.**

- **B.E (Bachelor of engineering) in ECE (2017) at RGPV ,Bhopal with 7.46 CGPA**

- **12th from BSEB (2013), Bihar with 63%.**

- **10th from CBSE (2011) , Bihar with 8.8 CGPA.**

SUMMARY

I am confident and skilled in testing IT-Software. I am always appraised by my seniors for discovering and analysing the requirements and mapping with test cases. I have explored Automation Testing as well. I am at a good level for manual testing and my research ability encourages me to understand the new domain very quickly. I always get good and enthusiastic momentum to understand and learn new domains.

WORK EXPERIENCE

02/2024- 11/2024
QA-Engineer
Krishiacharya Technologies Pvt Ltd –BIJAK

09/2023-01/2024
Test Engineer
SSP Limited

04/2023-09/2023
Software Tester
One Dios

05/2022-03/2023
Test Engineer
RikArena Consultancy.Pvt.Ltd.
