- Resilient in project management tool such as JIRA,
- Have participated and been aware of all sorts of Script demo execution to client, release deliverable, User story Review, Test plan and Test Case walkthrough, Defect Triage calls and Test Exit reports.

## SKILLS

**Programming Language:**
Core Java

**Web Automation Language:**
Selenium

**Build Tools:**
Maven

**Testing Frameworks:**
BDD Cucumber
Junit
POM

**Repository Management Tools:**
GIT

**Project Management Tools and Documentations:**
JIRA
Mobextrem

**Containerization Platform:**
Docker,Kuberenetes

**Tools/Applications:**
Eclipse
Visual
studio
windows

## EDUCATION

**Shree devi institute of technology, Mangalore**
Bachelor of Information Science and Engineering.
2016 - 2020
